Mr. Bell,

I know this is a little later than I would have liked but I did want to update you on our progress.

Koontz Elementary was able to make AYP this past school year. We met our goals in 12 categories and met by Safe Harbor in 5 others. We had at minimum 14.3% growth in each subgroup.

We have had a blessed summer and are excited about continuing our growth. I did not have a 100 %-er but did have a teacher with 87% passing Math.

Thank you for what you brought to us and the excitement we share in working to build our students from K thru 5th grade.

Larry's Note: This school made AYP immediately.
