Hello Mr. Bell,

Shari Gouin and I attended your conference Jan. 25 and 26 in Jacksonville FL. We started our "Working Toward FCAT Success" incentive program this week and had our first drawing during lunch. We will continue this until FCAT. Shari spent the last two weeks using UNRAAVEL and the 12 Powerful Words in her classes. We introduced it to four of our Inclusion teams (16 teachers) this morning and the teachers are excited to implement the 12 Powerful Words, Math UNRAAVEL and UNRAAVEL (not to mention the Power Names). We purchased the posters and one Power Rock! DVD. Everyone wants to start on Monday. One teacher went back to his class today, canceled his scheduled math quiz and UNRAAVELED instead! That is what is happening here!

I only have one DVD though. I currently have four teams that are fighting for the DVD. I am going to order one for each team (3 more for now), but in the meantime you said to call if we needed some advice! How long would it take to get 3 more DVD's to our school? Is there another way to get the DVD songs in the meantime?

You have set our school on fire! 100 students will be performing the 12 Powerful words during lunch on Monday just to get us even more revved up. Ms. Gouin had a student who came to her today and said he UNRAAVELED in his Reading class (because he didn't understand the passage) and another who did it on his Science test! We have a young man that has not performed all year (as in never once even tried to do the work) who got a 100% on his assignment today.

Thank you!!!!
