Larry,

Just a follow up on Vernon's state test results:

At Vernon middle school the API scores for our European-American, African-American, and Latino-American students are separated by only 4 points (out of 1000). As a result of applying your strategies and our other coordinated efforts, Vernon has effectively closed the racial achievement gap!

Pow!

Thanks,

Brian

Brian Bettger, Principal

Vernon Middle School

9775 Vernon Ave., Montclair, Ca 91763

(909)624-5036 Fax: (909)445-1720

Larry's Note: They closed the gap. No excuses.
