I just wanted to acknowledge and thank you for your enthusiasm and buy in to the wonderful strategies from Larry Bell. As I heard from many of you, I agree that this was one of THE BEST professional development sessions I have ever attended. In making my rounds last week I witnessed great enthusiasm and follow through with what we learned with Larry Bell in all six of our schools! I know this will result in tremendous results for our students! Thank you for your positive attitudes and hard work. Please remember.....

- *It's the little things
- *Inspiration with the information
- *Why not YOUR classroom
- *Share with each other
- *100%er
- *It only works if you have fun
- *Somebody needs you wonderful one

Have a great week,

SB
