Dear Mr. Bell:

I am writing to let you know how very much our teachers enjoyed your presentation on August 16<sup>th</sup> of this year. I have **never** had so many positive comments about a speaker, and I have been in this school system for 31 years. Thank you so much for all of your positive energy and enthusiasm. Out of 494 evaluations that were returned to us, there were 456 marked excellent and 38 marked good. I am forwarding a few of the excellent comments so you can see how much our teachers appreciated you.

1. This is one of the most interesting, beneficial professional development seminars we have had. I fully intend to implement this.
2. Mr. Bell is inspiring.
3. **Wow! Information and Inspiration!**
4. Mr. Bell is one of the top presenters I have heard in over 20 years. It was all wonderful and relevant to all teachers.
5. One of the best staff developments ever!!! **Great job!**
6. This is the first time I have participated in a professional development seminar that was enjoyable, informative, and that I actually would use in my classes!!
7. **Worth every penny, every second!!!**
8. I am an intern teacher this year, and I really enjoyed the seminar. It was as good as or better than any class or workshop at NSU. **Thanks!**
9. Thank you for showing me I am not crazy for wanting to teach the "at promise" children.
10. I liked that he kept my interest and gave us hope.

11. I would like to attend a longer workshop with him.
12. This presenter came highly recommended. I was captivated and so glad that I came.
13. Thank you Professional Development Committee for providing us with such an excellent speaker.
14. Thank you, Larry Bell, for doing what you do.
15. Mr. Bell was well informed, energetic, really exciting, and used relevant information. His presentation really geared me up for the year! YEA!

We also had four other school districts here. We received a huge thank you from them for allowing their teachers to attend.

Thank you again. We wish you the very best.

Sincerely yours,
