Hi Larry,

It is Pam from Upland CA. I am sending 12 or 13 people to your workshop in December in San Bernardino. I called to get a special price because your web site says if 10 or more people come, you can get a special price.

We are still doing it at UJH. This year we grew another 18 points on our API - were are 784 and our motto is: We're 784 and 800 we are knocking at your door. Our EL population grew 70 points this year. I had 400 students coming to Night of the Stars last year and this year we have 441 students invited. 3 of them received a perfect score of 600 and 103 of the 8th graders scored Advanced or Proficient on all 4 of the tests they take. Last year we 79 score Ad or Proficient on all 4 tests. My assistant principal will be coming with our group. Please let me know what the discount will be so that I can get the paper work in ASAP.

Thanks so much,

Pam
