Mr. Bell,

I hope you had a great summer. I had the opportunity to attend your amazing workshop at the end of the school year. It was amazing to see the results as our Title I school went from a "C" school to an "A" school! I count it a real honor to work with such a great team here at J. Colin English Elementary and as the music teacher at the school I try to collaborate as much as I can with the classroom teachers. The attached songs are a couple of ways we did that throughout the year. During the summer I had a chance to make a video which the students can sing along with as well as an accompaniment track. (A little to big to email but I could send them to you if you would like?) "Thank You" for all you do....IT WORKS!!

Thank You,

Michael Seeberger
