Message: As a Joliet District 86 Public School Teacher, I was most fortunate to hear you speak last year at one of our in-services. I took your message to heart about ALL students being able to meet state standards. I am proud to say ALL of my 5th graders in 2007-2008 met state standards in Math on the ISAT test! (We still have to work on our reading scores!) My wonderful ones and I thank you, thank you, thank you for your inspiration and ideas that WORK!
