12/14/11 Hello Mr. Bell - I just wanted to say thank you for a truly incredible day. My colleagues and I were so impressed with your humor, zest for life, and simple, easy strategies for improvement of student achievement. Many of us have already implemented the UNRAAVEL and 12 powerful words strategies; and I know after today we will attack them with a new and re-energized vigor! Thank you so much for your passion, courage and strength; you are truly an inspiration to me. This was one of the most fun professional development days I have had in a long time! :-) Sincerely, Morgan Pellettera, Arroyo Valley High School, SBCUSD
