Dear Larry Bell,

Oh my gosh, thank you! The evaluations from Friday with staff were absolutely overwhelming! I thought I would share some of the more poignant comments. Feel free to use them again if you like.

"Thank you for coming. You brought the city to our small town!"

"I loved it. I'm inspired to inspire!"

"Dynamic speaker with a pure heart."

"I promise I will have a new song for Mattoon High School and it will be hip and catchy. This is right up my alley."

"Excellent speaker! It is nice to hear ethnicity for a change."

and this is my personal favorite.....

"Whatever he cost.....It was worth it."

Staff wants more, sir. I am so grateful that you came. Much, much success to you, and thanks again.
