5 TH GR. SCIENCE		235	
6 TH GR. ELA	183.9	192	+9 (+22)
6 TH GR. MATH	190	233	+43 (+43)

PUCKETT IS A RURAL AREA WITH LITTLE TRANCIENCY. THEREFORE THIS CHART IS PARTICULARLY USEFUL BECAUSE IT SHOWS THE INCREASE IN SCORES FOR THE SAME GROUPS OF STUDENTS AS WELL AS THE SAME GROUPS OF TEACHERS BEFORE AND AFTER USING THE LARRY BELL STRATEGIES.

THE ARROWS ON THE CHART REPRESENT THE CHANGE IN SCORES WITH THE SAME GROUP OF STUDENTS FROM ONE YEAR TO THE NEXT AFTER USING THE LARRY BELL STRATEGIES. THE LIGHT BLUE NUMBERS SHOW THE GROWTH FOR THE SAME GROUP OF STUDENTS OF THE PREVIOUS YEAR.

PLEASE NOTE THAT THE YEAR BEFORE USING THE LARRY BELL STRATEGIES THE GRADE LEVELS HAD A PARTICULAR SCORE. NOTICE THE INCREASE EACH GRADE LEVEL HAD THE FOLLOWING YEAR USING THE LARRY BELL STRATEGIES.

EXAMPLE: TEACHER GROWTH

3RD GRADE ELA SCORE IN 2011-2012 BEFORE USING LARRY BELL STRATEGIES WAS 118.7.

3RD GRADE ELA SCORE IN 2012-2013 AFTER USING LARRY BELL STRATEGIES WAS 196.

EXAMPLE: STUDENT GROWTH

3RD GRADE ELA SCORE IN 2011-2012 WITHOUT USING LARRY BELL STRATEGIES WAS 118.7.

THE SAME GROUP OF STUDENTS AS 4TH GRADERS USING LARRY BELL STRATEGIES HAD AN ELA SCORE IN 2012-2013 OF 193.4.
